

MOBILE STEM LAB 2024 HIGHLIGHTS

757 Students

757 students from 9 different schools in the Milwaukee area “got on the bus” for a hands-on, “onsite” field trip!

72 Miles

The bus experience traveled to 9 different schools and put on 72 miles throughout the school year.

41 Hours

MATC provided 41 hours of instruction to students. Most mobile labs were 5 hour experiences.

Note: this does not include travel time, prep time, etc.

Thank You!

“Thank you for bringing this to my students. We were able to include the autistic kids in this activity. Typically they are left out.”
